## Directions

Ohio Sleep Solutions in Westerville is a six-bed sleep center located within the Westerville Medical Campus. Upon arrival, you will bypass the main entrance doors and go toward the green beacon located at the Surgery Center door. Press the intercom button to alert the staff of your arrival. A member of our staff will then escort you to the sleep center

While our lab site at the center is handicap accessible, if you have special needs for the sleep center, please call us at (614) 259-6770. We also offer showers and have available Wi-Fi.
